## Athens Riviera – Sounio

Sounio is one of the most iconic and exclusive coastal destinations on the Athens Riviera, best known for the Temple of Poseidon and its dramatic sunsets over the Aegean. The area offers a rare blend of natural beauty, privacy, and a true beachfront lifestyle—swimming in crystal-clear waters, relaxed seaside dining, and effortless day-to-day living surrounded by protected landscapes. Despite its tranquil, resort-like atmosphere, Sounio remains within comfortable reach of Athens, making it ideal for a luxury second home, year-round escape, or a high-end investment with strong international appeal.
