

Golden Visa Apartments. 4 Renovated Units.

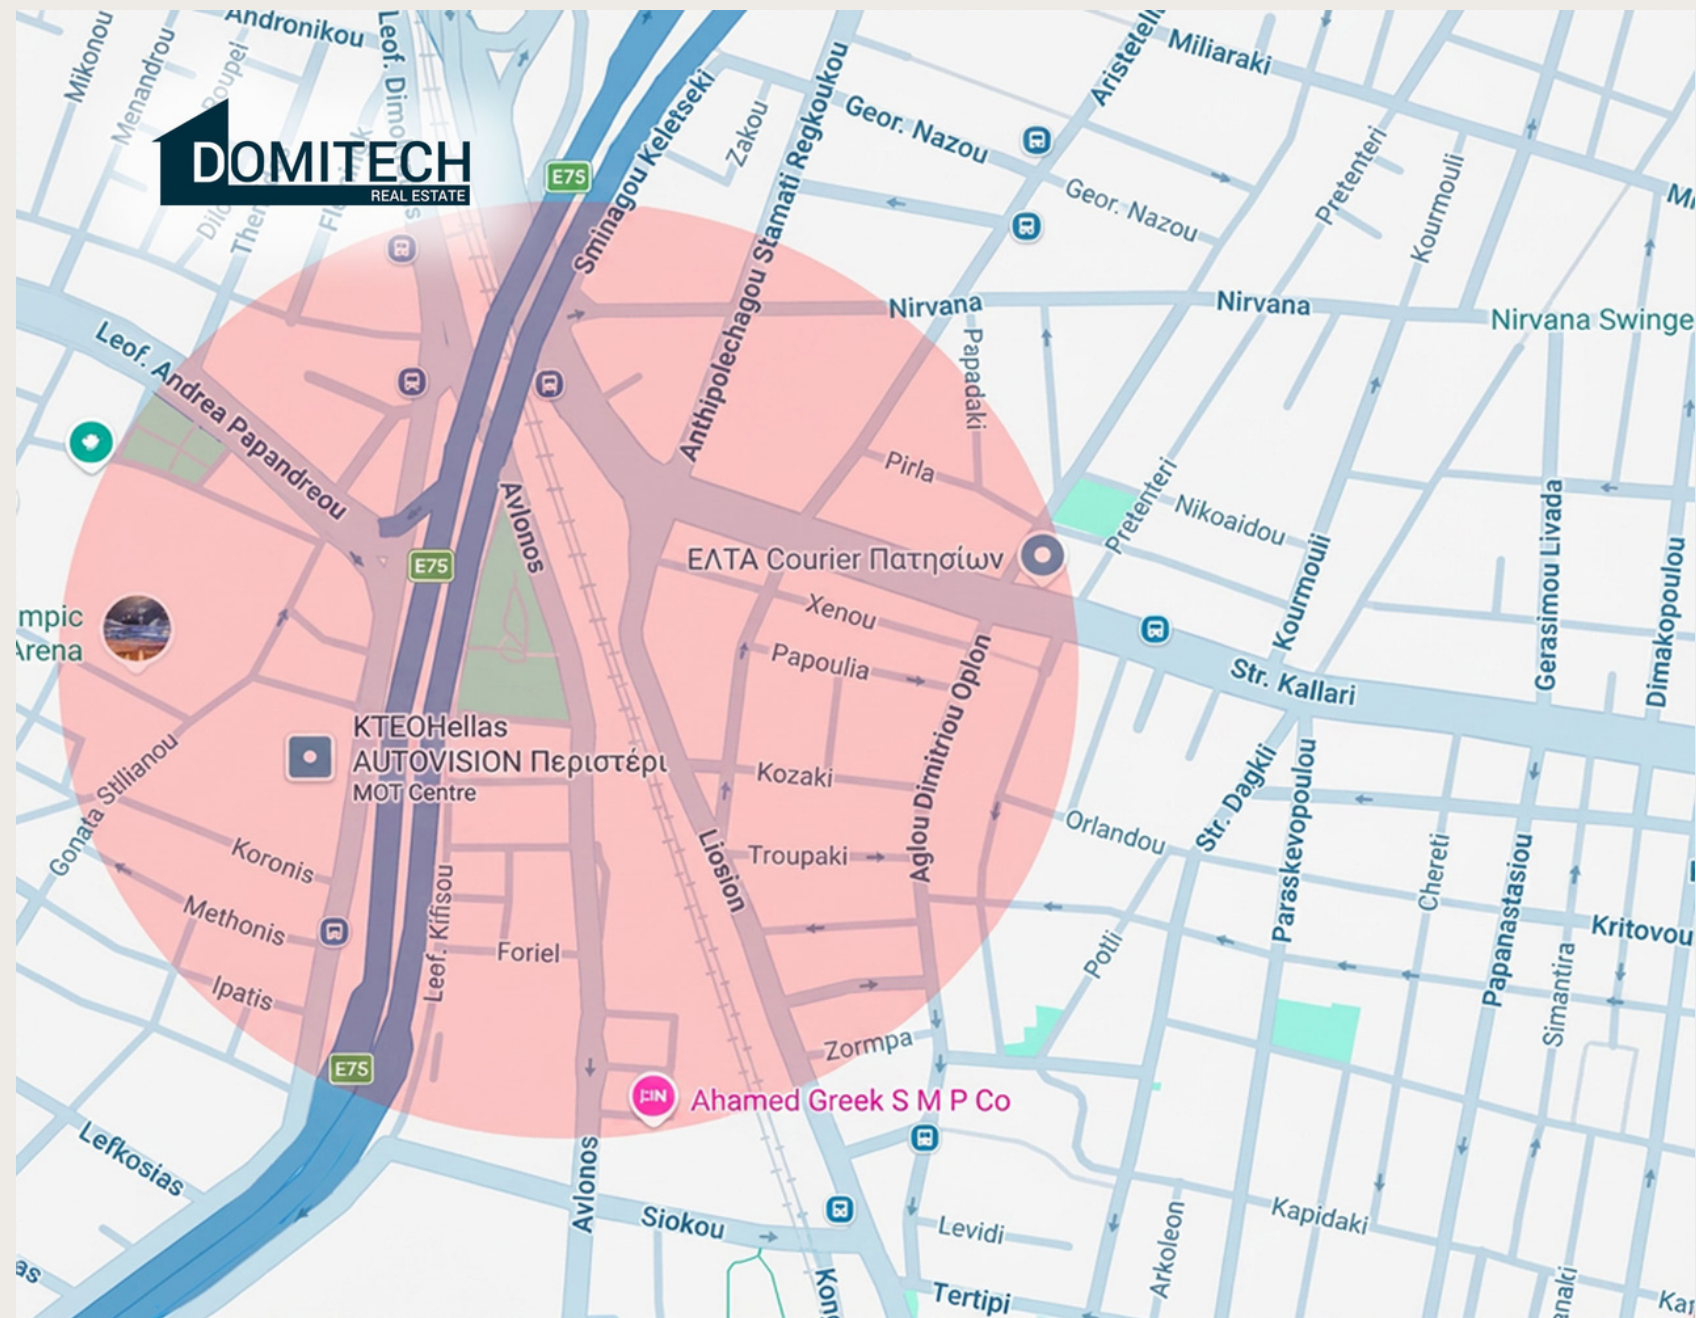

Introduction

This presentation introduces a fully renovated residential property in Sepolia, Athens. The building includes four independent apartments, each offered at 250,000 EUR, suitable for buyers interested in the Greece Golden Visa program, subject to eligibility checks. DOMITECH Real Estate provides full support from property selection and due diligence to documentation and coordination with legal and tax professionals. The apartments were renovated in 2026 and are designed for comfortable living and strong rental potential.

Central Sepolia Location with Easy Metro Access

The property is located in a central and practical area of Sepolia, Athens, with easy access to public transport and everyday services. The metro station is approximately 1.5 km away, while a bus stop and an ATM are both within about 300 m. For intercity travel, the intercity bus station is around 1.2 km away. The port is approximately 16 km away and Athens International Airport is about 37 km away. The sea is around 10 km away, offering a good balance between city convenience and access to leisure.
