MAISONNETTES
ANO PATISSIA, ATHENS**

APARTMENTS & TOP-FLOOR
MAISONNETTES FOR SALE

A contemporary new-build residential project in Ano Patissia, Athens, designed for modern city living with clean architectural lines, generous balconies, and practical layouts focused on light and functionality. A total of 6 apartments are available for sale (including 2 on the 5th floor), with sizes ranging from 42–72 m²; all units include parking, and selected units include storage. Areas are indicative and may vary by unit and floor, while pricing and availability are subject to change—contact DOMITECH Real Estate for current availability and detailed specifications.

The development offers a selection of modern city apartments designed for comfortable everyday living. The table below summarizes the available units, indicative sizes, and key inclusions (parking and, where applicable, storage). For current availability and pricing per unit, please contact us to arrange a consultation
